Message from the Dean:

Warm greetings. I am quite delighted to introduce the fourth volume, number 2 of “*The SOPA Scholarly Activities Gazette.*” *The Gazette* is designed to publicize the amazing scholarly activities of our faculty and students. In addition, the *Gazette* is a testament to SOPA’s commitment to serve as a citadel for the production of knowledge that will help promote human-centered development at the municipal, county, state, national and global levels.

Our Mission:

To serve as an urban focused community of learning dedicated to educating professionals who will plan and administer environmentally healthy and sustainable communities at the local, state, national and international levels of society.
